All-Stars To Play At Tuscaloosa August 8

Alabama High School All-Star football and basketball games will be played at the University of Alabama, Thursday, August 8. The games are sponsored by Alabama High School Athletic Association and Alabama High School Coaches Association in cooperation with the University of Alabama.

The kick-off of the football game between North Alabama All-Stars and the South Alabama All-Stars will be at 7:45 p.m. in Denny Stadium, University of Alabama. The game is a clinic game and culminates activity for the coaching clinic. It ushers in the 1968 football season since most of the high school teams will start practice the week following this contest.

Of the All-Star football games played to date, the North has won eight, the South nine and two games have ended in ties.

Chicken Egg Without Yellow Found In Elba

James Vaughan of Rt. 5, Elba, sent to The Clipper office, last Saturday an egg, that had been boiled and when cut for the purpose of making deviled eggs was found to not have a yolk. The boiled egg was completely white throughout. Vaughan had brought the egg along with a complete order from a producer below New Brockton.

Elba Coach To Lead South All-Stars

Leon Akins, head coach of Elba High School, will be head coach for the South All-Star football team. Assistant coaches are Shorty White of Banks; Sentell Harper of Auburn; Billy Coleman of Citronelle and Reed Hughes of Camden.

Coach Akins attended high school at Atmore, while at Escambia County High School he played three years of basketball, football and baseball. He attended Mississippi Southern College and played baseball and football for three years. He has been coaching for five years but has only been at Elba for one year. His record in 1967 was 8 wins and 2 losses. He was named Coach of the Year in the South Alabama Conference in 1967.

Four boys will be playing for the South team from this area.

Jerome Ward from Elba will be the starting defensive end for the South team and second fullback. He was selected All-Conference, most valuable player following the 1967 football season. Ward played basketball and baseball and ran track. He is 18 years old and 6-foot tall, weighing 190 pounds. He plans to attend the University of Southern Mississippi this fall.

Also playing with the South team will be Ricky Kale from Andalusia, Bill Whigham from Enterprise, and Jerry Colley from Troy. David Stokes of Elba, who is a freshman student at the University of Alabama, a 1968 graduate of Elba High School, is an alternate back for the South team.

Purnell-Word Coaching All-Star Basketball

Two basketball coaches of this area will be coaches for the sixteenth annual All-Star Basketball Games between the North Alabama All-Stars and the South Alabama All-Stars play at 1:30 and 2:45 in the afternoon on August 8, in the Memorial Coliseum, Tuscaloosa, Alabama. Crigh Purnell from Kinston High School and Paul Word of New Brockton High School will coach the South's 2-A team.

This event, like that All-Star Football Classic, is one of the culminating feasts of the coaching clinic which is sponsored by the University of Alabama, the Alabama High School Coaches Association.

Coach Purnell is the Athletic Director at Kinston. He attended high school at Red Level where he played basketball and football and participated in track for three years. He has been coaching for seventeen years and fifteen of these have been spent at Kinston. His overall record at Kinston is 336 wins and 112 losses. His team was 2-A District Champions in 1956, 1963, and 1967.

Coach Word is Head Basketball Coach at New Brockton High School. He attended Eufaula High School where he played two years of football and three years of basketball. He participated in Track and Basketball at Troy State University. He was All-American Honorable Mention small college in 1961-62 season. He has been coaching for six years and

He is married to the former Betty Jean Dunn of Samson and they have two children, Chris, age 6 and Karen, 3 years old. The Heads reside in Eau Gallie, Fla.

Joseph H. Johnson, Specialist Five, United States Army was awarded the Silver Star, March 20, for action January 8 and the Distinguished Flying Cross May 11 for action March 4. Both awards were for action in Vietnam. Specialist Johnson is the son of Mrs. Comer Johnson, Elba.

He received the Silver Star for gallantry in action against a hostile force on January 8. Specialist Johnson distinguished himself by intrepid actions while serving as door gunner on a light observation scout helicopter. On that mission, his helicopter was on a screening mission to locate a downed helicopter. While screening for the ground element that was securing the downed aircraft, his helicopter suddenly came under intense automatic weapons fire from an enemy force and he quickly dropped several smoke grenades, which acted as a smoke screen for the friendly forces.

This heroic act enabled the securing force to seek cover in their defensive perimeter around the downed aircraft. After locating the enemy soldiers as they engaged his helicopter, Johnson fired into the group of enemy soldiers. Killing three of them and causing the remainder to seek cover. On the next pass over the enemy, he exposed himself to the hostile fire while standing on the skid of the helicopter and killed three more enemy soldiers. His heroic action was instrumental in disorganizing the enemy plans and saved the ground element from sustaining numerous casualties.

Specialist Five Johnson received the Distinguished Flying Cross for heroism while participating in aerial flight for actions above and beyond the call of duty. He distinguished himself by exceptionally valorous actions on March 4 while serving as a door-gunner with an air cavalry team. On that date, he was flying in an aero-scout helicopter in the area surrounding Duc An when he spotted five dug-in and heavily armed enemy soldiers. He engaged the hostile position and killed three of the insurgents. As his aircraft was withdrawing from the area the two remaining Viet Cong began firing at the helicopter. Johnson exposed himself to their intense fire and killed one of the enemy and wounded the other, spotting a camouflaged enemy rocket position. He directed a violent hail of fire at the hostile fortification and destroyed two more insurgents and the position. As the friendly ground forces approached a village, Specialist Johnson spotted 10 enemy soldiers deployed to the front of the approaching element. He immediately brought the insurgents under fire marking the position for the ground troops. He then observed two more Viet Cong digging fox holes and destroyed both of them by his accurate fire.

Authority for the awards were by direction of the President of the United States under the provisions of the Act of Congress, July 1918 and July 1926. By direction of the President, Specialist Johnson was also presented the Air Medal "For distinguishing himself by meritorious achievement while participating in sustained aerial flight, in support of combat ground forces in Vietnam. Kitchen Shower Held At Home Of Mrs. Murphree

Miss Sylvia Jones, bride-elect of Mr. Jack Daughtry, was honored Saturday afternoon, July 20, in the home of Mrs. Boyd Murphree, when Mrs. Murphree, Mrs. James Wise and Miss Janet Murphree, entertained with a kitchen shower.

The guests were greeted at the door by Miss Janet Murphree. After the guests were seated they were served a delicious salad consisting of a frozen fruit salad on lettuce, chicken salad sandwiches, stuffed dates,ritz crackers and cokes.

Guests included Miss Sylvia Jones, honoree; Mrs. J. J. Jones, her mother; Mrs. J. A. Padgett, mother of the groom-to-be; Mrs. Bill McCollough, hostess; Mrs. Charles Jacobs, Mrs. Fred Young, Mrs. Stanley Prior, Mrs. Harold Berry, Mrs. Fred Harper, Mrs. Robert Davis, Mrs. Doyle Jones, sister-in-law of the bride-elect; Mrs. Fleetwood Gantley, Mrs. C. G. Nicholson and Mrs. Paul King.

Miss Jones was presented a collection of inspirational verses for the "bride and groom" with the title "When Two People Marry," engraved in silver.

BUDDING ENGINEER

Can't tell yet whether my son will follow in his Dad's footsteps. Blocks don't make an engineer.

But he's learning some of the basic principles of physics with which many professions deal.

On the way home from Church, when he talks about his lesson, I recognize familiar signs... character is still in the mold. Deep conviction, bold dedication come later. But he's grasping those basic truths on which great living rises.

For a busy engineer who used to be hit-or-miss in his church attendance, fostering the growth of a soul is a fascinating experience... especially as I find my own faith deepening with every reverent day!

Can't tell about his following my footsteps. But I've discovered new dimensions in life following his.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a combination of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four main reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

North Alabama Is Sightseer's Paradise

Visitors spending a vacation in Alabama may end up not wanting to go home. The North Alabama area is an excellent starting point.

For the sightseer, there are innumerable points of interest. For the sportsman, there is abundant fishing and in season, hunting for a variety of game, including deer. For the vacationer seeking rest and relaxation, there are no more beautiful lakes, streams and campsites to be found.

The beauties start with entry into Alabama at its Northwest corner. There is to be found Pickwick Lake, the state's westernmost TVA lake, which abounds in "stripes," "jacks," and buster catfish ranging often up to 50 and 60 pounds.

Moving eastward, there are the Quad Cities of Florence, Sheffield, Tusculum and Muscle Shoals. In Florence stand elegant, perfectly maintained antebellum homes. Within the city limits is the largest ceremonial Indian mound in the Tennessee Valley - 42 feet high.

Sheffield is a beautiful yet bustling manufacturing city. Among the industrial activities are two great nitrate plants and the only complete aluminum plant.

In the country where the entire process, from ore to the finished product, is carried out.

In Tusculum is located the birthplace of the late Helen Keller, called by Green. A visit here Friday evenings in July and August offers an added attraction, a performance of "The Miracle Worker," a play based on the childhood of the famous and courageous lady.

In the area are Joe Wheeler State Park, Wilson Dam, the development which launched TVA, and Wheeler Dam, twenty miles east, surrounded by spacious recreation areas and picnic grounds. Wheeler Dam is nearly a bit to the south is Athens with its college and old homes, Phil Campbell and Dismals Gardens with the seven natural bridges, waterfalls, rare rock formations and the South's oldest hemlocks.

There is Decatur with the spreading waters of the Tennessee River housing shipyards and manufacturing plants, and providing limitless facilities for boating, bathing, water skiing, fishing, and camping and picnic areas in large numbers, six miles north of Decatur and one block off Highway 1 is the 19th century town of Mooresville pre-

occupied by Indians before 500 B. C. It's noted for the brilliant colors of its caliche flowers and abundant stargates and stalagmites. Then on to Fort Payne, where the Ave Maria Cave, Desoto Falls in De- lege at Cullman, Nestled in a four acre area are 150 exact miniature replicas of famous churches, the centuries-old Tourist Information Center just off I-59 is itself a high point of interest to visitors.

Just before reaching on Creek Park, where a Huck Finn swimming hole, a mile further east is Huntsville, the Space Center of the world, which may be visited. The city also has an historic background of its own as well as natural beauties to be enjoyed. Its Barritt Museum is thoroughly educational, its antebellum mansions reflect the past and beautiful Monte Sano State Park provides a jeweled backdrop for the city.

Following the winding river and threading its lakes, travel eastward reaches Guntersville Lake, picturesque haven for all boating and water enthusiasts and the scene of one of America's major speed-load regattas each year. There is also Little Mountain State Park and the unusual Guntersville Caverns with their amazing formations of stalagmites.

Again moving east and north, at Grants are Cathedral Caverns, with the largest cave entrance in the world and formations dwarfing any other known. In Valley head hosts Decatur Caverns which was

GUARANTEES
Have you been told when you buy appliances that the guarantee is prorated? What does this really mean? A pro-rated guarantee is different from other guarantees. It means that the manufacturer who agrees to repair or replace the item, the costs of which will be borne entirely by the manufacturer, at the beginning of the guarantee period, and which will be shared by the customer in increasing proportions

until the end of the guarantee period.

OUTDOOR FURNITURE
Is your outdoor furniture beginning to look aged and worn? It will only take a few minutes to spruce it up. First, give it a thorough cleaning with a mild detergent. Rinse and dry thoroughly. Apply a coat of paste wax to the aluminum area. If the joints are a little hard to work, use a silicone lubricant instead of oil. Oil leaves a residue

which collects dust and dirt. To beautify and freshen redwood furniture, once a year apply a coat of wood sealer made especially for redwood.

FIG ICE CREAM
This last week when I was at the New Hope Extension Homemakers Club, Mrs. Anglen Pittman told the group about how she made fig ice cream. To a regular recipe of vanilla ice cream, Mrs. Pittman adds fresh figs which have been skinned and seeds removed. She did not specify the number of figs to use but enough to give it a good flavor. Mrs. Robert Lee also said she had tried the ice cream and found it to be most delicious.

STEAK
For greatest eating satisfaction, make sure that your steak is either prime or tenderloin. Choose a sirloin, tri-tip, brisket, or rib. If you pick a steak that is too thin, you may find it hard to cook medium rare. Other good steak cooking advice is to buy a high

Brockton Youth Wins Navy Commission

Army Major Roy R. Sullivan, son of Mr. and Mrs. W. L. Sullivan, 405 Linda Drive, Pampa, Tex., received his third award of the Army Commendation Medal July 8 while serving with the 1st Army Data Support Command, Washington, D. C.

Major Sullivan earned the award for meritorious service with the command. An automatic 15th processing project officer in the command, Major Sullivan received his commission through the Reserve Officers' Training Corps program at Texas Agricultural and Mechanical University, College Station, where he received his B. S. Degree in 1964.

He also received his M. A. degree from the University of Arizona, Tucson, in 1964.

His wife, Sarah, lives on Route 5, Elba.

FARM BUREAU QUEEN Miss Judy Ham of Elba, was elected Coffee County Farm Bureau Queen last Thursday afternoon at the annual meeting held in Enterprise. Judy is the daughter of Mr. and Mrs. J. H. Ham of Basin and graduated from Elba High School in 1966. She is currently employed at The Peoples Bank of Elba. Other girls in the contest were Jane Martin, Becky Moates, Linda Hegler, and Annette Wesley, all of Enterprise and Kay Brewer of New Brockton.

Judy will represent Coffee County in the state queen contest in Mobile later this year.

Music Schools Are Planned In Coffee County Churches

A county-wide school of music will be sponsored next week by the Coffee County Baptist Association. Classes will be held in the morning for Juniors (9-12) at First Baptist Church, Elba, as well as the First Baptist Church, Enterprise, Monday through Friday. Evening classes will be offered for Juniors through Adult age, beginning at 7:30 p.m. Monday through Friday (except Wednesday) at First Baptist Church, Elba.

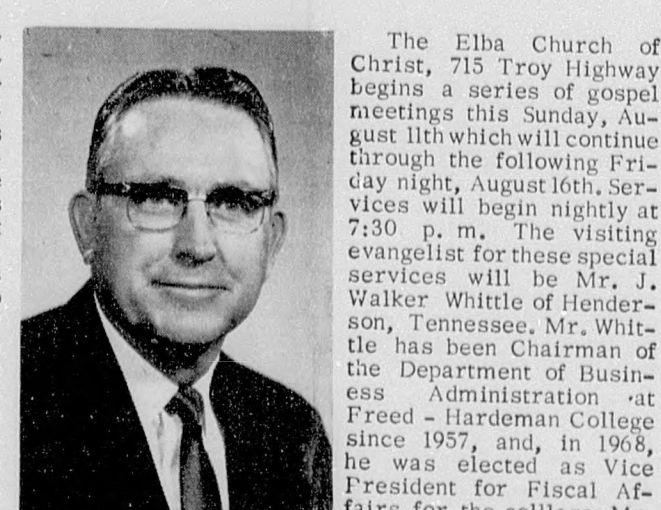

MISS BEVERLY RAINER, daughter of Mr. and Mrs. L. S. Rainer, Jr., has been selected to serve as sponsor of the South All-Star football team when it meets the North All-Stars in Tuscaloosa tonight (Thursday). She will leave Elba today for the evening ballgame. Head coach for the South team is Elba's Leon Atkins. Playing on the team from Elba is Jerome Ward, a 1968 graduate of Elba High School.

Navy Reserve Seeking Young Trainees

Although it is presently only midsummer, for many students their senior year of high school is fast approaching. College plans have already been established by some of these students, but many others remain undecided about their pursuits upon graduation. College plans should begin early, and no student should overlook consideration of one of the Navy's finest college training officers' candidate programs - the Regular Navy Reserve Officers' Training Corps (NROTC) - deciding upon his college plans.

The Regular NROTC is a program designed to train career officers for the Navy and Marine Corps. The program includes payment by the Navy of tuition, educational fees, textbooks, uniforms, and provides a \$50 monthly subsistence allowance to its members for four years. Selected candidates are enlisted in the U. S. Navy Reserve and are appointed midshipmen upon enrollment in college.

Investigate this program now by requesting a 1969 Regular NROTC Bulletin of Information from any U. S. Navy Recruiting Station or from the Chief of Naval Personnel (Pers-0641), Department of the Navy, Washington, D. C. 20370.

Church Of Christ Plans Revival

J. WALKER WHITTLE

The Elba Church of Christ, 715 Troy Highway begins a series of gospel meetings this Sunday, August 1st which will continue through the following Friday night, August 16th. Services will begin nightly at 7:30 p. m. The visiting evangelist for these special services will be Mr. J. Walker Whittle of Henderson, Tennessee. Mr. Whittle has been Chairman of the Department of Business Administration at Freed - Hardeman College since 1957, and in 1968, he was elected as Vice President for Fiscal Affairs for the college. Mr. Whittle is a regular minister and in the summer months, he conducts evangelistic meetings in several states, especially those he enjoys working in his home state of Georgia. The public is cordially invited to visit with us and hear this man of God proclaim vital Gospels from the Holy Scriptures which will be of great importance for time and eternity.

City Elections Are Planned For Tuesday

Elba's city elections are just around the corner with next Tuesday, August 13th being the date set by state law for holding the city elections. There are six positions up for grabs this year with all five councilmembers and the mayor post up before the voters. All incumbents are running except Councilman Al Folsom. Owen Zigler, who is not seeking re-election.

Three races have three candidates trying for election. They are Ward 3 and Ward 4, city councilmen. Incumbent councilman in these races are Ray Trammell and Bob Folsom. Opposing Trammell is Charles W. Jacobs and Elmer Bowman, both making their first attempt at public office. Opposing Folsom are Mace Cook and Gus McCall. Cook was defeated by Folsom four years ago in a run-off after beating Folsom in the first election. McCall is making his first appearance in city politics.

In the Councilman-at-Large race three newcomers are vying for the council seat. They are Charles Lindsey, John Garrett and Sam Sawyer. The other races pit veteran councilman Cleo Hawkins against Robert Newton, Newton was defeated four years ago for the same post. Councilman Donnie Morrow is running to retain his seat on the council and is opposed by a newcomer to politics, Lamar Daniels.

The mayor's race pits longtime mayor L. P. Mullins against newcomer, Jack Brunson. Each of the candidates have appeared to us to be conducting the campaign as the fine gentlemen we know they are and the Elba Clipper offers no advice to voters, publicly or privately, except VOTE.

Whom ever is elected, it would be satisfying to know that most of the 1700 voters in Elba expressed their opinion on election day.

**Twelve Month Schools Are Tried**

A "community school" program to keep a city's schools open year-round with additional funds for the entire family is being conducted in Wilmington, Delaware, as a result of a special grant from the DuPont Company, according to Dr. Gene A. Geisert, Superintendent of Schools.

Dr. Geisert said that the grant from the Aid to Education Committee, has committed \$50,000 a year for the next three years to help the implementation of this program. "The essence of the program is the active participation of residents in all phases of the school," Dr. Geisert explained. "The schools involved will remain open each weekday until 10 p.m. Educational, cultural, and recreational programs will be offered for all ages."
